25X1 [Redacted] Comment. Compare with observations [Redacted] on loading of troops  
25X1A at Wittenberge loading preparations at Gloewen on 13 June 1953, and a troop train  
25X1A [Redacted] from Rathenow to Vogelsang on 14 June 1953. [Redacted]  
[Redacted] Magdeburg - Brueckfeld as receiving  
station indicates that the four troop trains carried units of the Third Shock  
Army. Thus, it is believed that units of the Fourth Gds Mecz Army and Third  
Shock Army participated in a field exercise held in the Wittstock area toward  
25X1 Elbe River from about 6 to 13 June 1953.

25X1A [Redacted] Comment. The troop train from Velten to Justerbog-Altes Lager was  
previously observed [Redacted]
